**Re: Screening Decision for Government of Nunavut – Department of Community and Government Services’ “Coral Harbour Airport Road Quarries” Project Proposal, Kivalliq Region**

---

Dear Mr. Joe Savikataaq:

On March 18, 2016 the Nunavut Impact Review Board (NIRB or Board) received a referral to screen Government of Nunavut – Community and Government Services’ (GN – CGS) “Coral Harbour Airport Road Quarries” project proposal from the Nunavut Planning Commission (NPC or Commission), with an accompanying positive conformity determination with the Keewatin Regional Land Use Plan. Pursuant to section 86 of the *Nunavut Planning and Project Assessment Act* (NuPPAA), the NIRB commenced screening this project proposal and assigned it file number 16QN014.

Following the assessment of all material information provided, the NIRB is recommending that a review of GN-CGS’ “Coral Harbour Airport Road Quarries” project is not required pursuant to paragraph 92(1)(a) of the NuPPAA.

Pursuant to its discretion under paragraph 92(2)(a) of the NuPPAA, the NIRB has determined that specific terms and conditions are appropriate for this project.

Accordingly, the NIRB is issuing the attached Screening Decision Report dated May 30, 2016 to the responsible Minister(s). The Screening Decision Report provides, among other things, the regulatory framework, project overview and the NIRB assessment process, factors relevant for the determining significance of impacts and recommended project-specific terms and conditions.

Please note that the project proposal will not be enclosed due to the size of the electronic document and the limited bandwidth. However, an electronic copy of the project proposal is

accessible online from the NIRB's online public registry at [www.nirb.ca](http://www.nirb.ca) by using any of the following search criteria:

- Project Name: Coral harbour airport road quarries
- NIRB File No.: 16QN014
- Application No.: 124640

We look forward to receiving a response from the responsible Minister. If you have any questions or require clarification, please do not hesitate to contact the NIRB's Director, Technical Services, Tara Arko at (867) 983-4611 or [tarko@nirb.ca](mailto:tarko@nirb.ca).
