Hi Phyllis,

Enclosed you can find our Nunavut Water Board Report (Approval No. 8WLC-AFP1415 / Expedition CASE 16) from our expedition to Flagler Bay in summer 2014. If you have any questions, please do not hesitate to ask me!

Next year, we are planning an expedition to Spitsbergen and will not carry out field work in the Canadian Arctic. But in 2017 we are planning a big expedition to Taconite Inlet again together with GSC Calgary. So, we will stay in contact in the future as well, and I am looking forward to asking you again for permits in 2 years!

All the best und viele liebe Gruesse,

Karsten
