Thank you for the application. In order to complete the requirements of an approval without a licence, our office requires a project summary in English and Inuktitut. Once received the licensing admin staff will begin to process your application. As indicated, a signed application is forthcoming.

Regards,

Phyllis Beaulieu- ΔC^h >CⁱΔ

Good day Phyllis,

I have attached an application for approval for the use of water or deposit of waste without a licence.

With all of the Military on Block leave, I have not been able to get the application signed, however I wanted to forward this to you so you could start the review process. I will forward the signed application as soon as possible in the new year, once the Comd is back from leave.

Please advise if there are any issues with the application or if you foresee any delays in obtaining the authorization prior to the Patrol start date.

Regards

Mike
