Good Morning Richard, thanks for your renewal application, however I should advise you that due to recent regulatory changes in the Territory (NuPPAA legislation and amendments to NLCA) all project proposals, including amendments and renewals to/of existing projects shall be first assessed by Nunavut Planning Commission (NPC) and Nunavut Impact Review Board (NIRB) before the NWB licensing process. So you have to contact the NPC (info provided below) to see what they require for their review process.

If you have any further questions, please do not hesitate to contact me as I will be administering your renewal application

Regards
