Dear Ms. Beaulieu,

This letter is to request approval from the Nunavut Water Board for the use of water and deposit of water without a license at a field camp in the vicinity of Eureka, Nunavut.

This field camp will be set up for the purposes of wolf biology research and filming during summer 2014.

Every effort will be made to minimise the impact of our activities on the land in this location, especially with regard to water use and depositing of water.

Yours sincerely,

A handwritten signature in black ink that reads 'Patrick Evans'.
