Good Morning Matthew,

Any applications required for Nunavut Water Boards Approval without a Licence, is to apply with the Nunavut Planning Commission for NPC Conformity Determination. You have an NPC Conformity Determination from December 19, 2013 which does not apply, due to the new regulatory changes in the Territory from July 2015 all applications shall be reviewed by NPC/NIRB before NWB can start processing the licence for Approval. Please provide me with the additional information requested so that we can continue our administrative process.

Regards
Valerie
