RE: Renewal of Approval for Water Use 8WLC-CBA1718

Please accept my submission of an application to renew my approval for water use at a research field camp on Melville Island. Our work, previously approved, has not materially changed for the planned 2018 season. I am providing an application form, executive summaries in English and Inuktitut, and I am seeking NPC conformity separately. Please note that NPC has previously provided conformity on this project and I expect this in due course.

Please do not hesitate to contact me if you require further information.

Sincerely,

Scott Lamoureux
Professor
