Subject: 8WLC-DIS----, Qikiqtani Region, Geological and Geomorphological Studies of the Devon Island Impact Structure, **Incomplete Application** for Approval for the Use of Water or Deposit of Waste Without a Licence

Dear University of Western Ontario and Dr. Gordon Osinski:

The Nunavut Water Board (NWB or Board) acknowledges receipt on March 16, 2016 of your application for approval for the use of water or deposit of waste without a licence for the Geological and Geomorphological studies of the Devon Island Impact Structure. The NWB Licensing Department has conducted a preliminary review of your application and has determined that it is **incomplete**. The following information is deficient:

- NPC Conformity Determination
- NWB Application Form Block 3 Incomplete
- English Summary
- Inuktitut Summary

In order to proceed the application must be completed, re-signed and re-submitted with the deficient information. Please reference the assigned file number on re-submission.

If you have any questions please contact myself at valerie.kogvek@nwb-oen.ca or the Technical Advisor, Sean Joseph at sean.joseph@nwb-oen.ca

Sincerely,

Valerie Kogvek
Licensing Administrator
