Hello.

The Nunavut Water Board Licensing Department acknowledges receipt on March 27, 2014 of your Application For An Approval Without A Licence. Currently the application is being reviewed internally for administrative completeness. You will be notified in due course of any deficiencies prior to forwarding the file to the technical department for review and issue of a one year approval.

I've also attached the cancellation application to cancell the existing type "B" water licence 3BC-EAS1214.

Regards,

Robin Ikkutisluk
