Phyllis Beaulieu  
Manager of Licensing  
Nunavut Water Board

Dear Ms. Beaulieu,

Please find attached the completed and signed Application for the Use of Water or Deposit of Waste Without a Licence for the project entitled: *Environmental Mineralogy and Geochemistry, South Fiord, Axel Heiberg Island, Nunavut.*

Project descriptions in English and Inuktitut are included as supporting documents.

The original hard copy of this cover letter and application will be sent to your office by regular mail.

Thank you for your kind assistance this week in helping me understand the new regulations of the NWB applicable to the research project on Axel Heiberg Island.

Best regards
