Good Day Nick,

For the 8WLC-EMI1415 Use Without Licence Permit, we received the attached report. The report however did not contain site photographs. Also note that the report indicated that waste was periodically deposited into Igloolik dump site, can you provide us with a written approval from the Hamlet of Igloolik for this activity.

Moreover, we have not received a site close-out report for 8WLC-EMI1516. This needs to be provided before the Board can consider your request for a 8WLC-EMI1718 Use Without Licence Permit.

Please take a look at Item 7 of the Use Without Licence that was issued, this describes the record keeping activities expected. Kindly submit to the Board a report containing a summary description and supporting photographs of the restoration of the site of the undertaking.

Sincerely,

Cynthia Ene, MBA, P.Eng.- ٧٢٢٤ ٤٤٨٥
