Good morning Ida,

Apologies for the delayed response, after considering & reviewing material with staff the NPC determines that, given the last time the proponent submitted the proposal to the NPC (148491) they noted the project was to continue until August 2019, this shouldn't have to be re-submitted to the NPC during that period unless they change their planned activities.

If you have any further questions and or concerns, please do not hesitate to contact me.

Mutna

Brian
