Note To File

In 2012 Cawker and Young Outfitting sold the Ennadai Lake Lodge to Aziz Kheraj, but no assignment was ever completed transferring the associated Type B licence to Mr. Kheraj. The Type B licence expired in 2014, and Mr. Kheraj submitted an application for an Approval for the Use of Water and Deposit of Waste Without a Licence (Approval) on March 10, 2015.

On March 31, 2015, the NWB's legal counsel advised the NWB staff that Mr. Kheraj can apply for an Approval, if the undertaking is eligible for one according to the *Regulations*, despite never existing as the Licensee under the previous Type B licence for the undertaking.

NWB staff can consult the full legal opinion in the NWB's internal registry.¹
