Good morning Robert,

Yes, the project description has been finalized and I have attached the NWB letter and Non-Technical Summary, as well as the translations for your records and community notifications.

Let me know if you require anything else.

Cheers,

Lt(N) Keith Diakiw, CD, BA., BSc., PGeo.

I respectfully acknowledge that we live and work on the [ancestral homelands](#) of the First Nations, Inuit, and Métis. I am also grateful as a proud Métis to learn other Indigenous cultures, histories, and languages that continues to enrich our diverse communities in the 21st Century.

Je reconnais respectueusement que nous vivions et travaillons sur les lieux ancestraux des Premières Nations, des Inuits et des Métis. Je suis également reconnaissant, en tant que fier Métis, d'apprendre d'autres cultures, histoires et langues autochtones qui continuent d'enrichir nos diverses communautés au 21^e siècle.
