Dear Nunavut Water Board Manager of Licensing:

**RE: Application for the use of water or deposit of waste without a licence**

Please find attached a completed and signed application for the use of water or deposit of waste without a licence, in support of botanical research to study and collect plants in the vicinity of Arviat, in July 2016.

This document is being submitted electronically (filename: Gillespie NWB Application 2016.pdf).

Included in this file are, in the following order:

- 1) This cover letter [page 1]
- 2) Executive summary of application (in English) [page 2]
- 3) Executive summary of application (in Inuktitut) [page 3]
- 4) Application for the use of water or deposit of waste without a licence [pages 4–14]

Also attached is our Spill Contingency Plan.

In addition to this application, I have submitted an application to the Wildlife Research Section, Nunavut Department of Environment for a Wildlife Research permit.

If the application is missing information, please do not hesitate to contact me for further details.

Thank you for considering this signed application for the use of water or deposit of waste without a licence.

Sincerely,

Lynn J. Gillespie, Ph.D.
