Re: 8WLC-HIP1516 project application

Dear Ms. Porter:

Please find attached the files in support of the High Arctic Large Igneous Province geological study being proposed by the Geological Survey of Canada. Specifically the Executive Summaries in English and Inuktitut. The remaining information has been loaded onto the online application system.

Thanks, and please don't hesitate to contact me if you have any questions,

Sincerely,

Dr. Stephen Grasby
