Good morning Derek,

The Nunavut Water Board acknowledges receipt of your application for an approval for the use of Waters and deposit of Waste Without a Licence. While reviewing your application for administrative completeness, the NWB would like to kindly request submission of a Project Area Map. Also it has come to our attention that there are no records for application fee payment from 2016, 2017, 2018, 2021, 2022, 2023 and this year's 2024 payment. The application fee is \$30 Canadian funds which comes to a total of \$210.00. This can either be paid by credit card over the phone or by cheque made out to: Receiver General of Canada.

You can contact me at 1-867-360-6338 Ext 28 to exchange details.

Regards,

Robert Hunter
