Dear Mr. Richard Dwyer,

Please find attached a completed and signed application for the use of water without a license, at a field camp located approximately 56 km northeast of the City of Iqaluit. This camp is necessary to support the investigative studies for the Iqaluit Nukkiqsautiit Project. This work primarily involves environmental studies which will cover the terrestrial, atmospheric, aquatic, and archaeological components of the study area.

Please do not hesitate to contact me for further details regarding this application.

Thank you for your consideration.

Sincerely,

Shelly Brown
