Hello Board members,

Please find my application(s) for *approval without licence* for a small research camp near the Hamlet of Grise Fiord taking place this August. Please note that I could not get the Inuktitut word for Starnes Fiord, which is the water body/location of our campsite. If it is absolutely necessary I can contact the HTO in Grise Fiord and ask them to send it in syllabics to me as soon as they can. Please consider me as your contact for any future correspondence.

Thank you,

Jack Orr
