Hi Phyllis,

Just for reference when you get to it, I've attached a basic map for the renewal of WL Authorization No. 8WLC-JSN1314 that shows the camp locations (the proposed 2014 location is ~35 km away). In terms of project extents, the researchers are observing and capturing narwhals along the inlets you see on this map, so its within the same project region.. but the camp will be located in a new spot.. all for discussion.

Hi Phyllis,

Please find attached an application for WL Authorization from Jack Orr (our very first applicant from last year!). I'll take on this file given that I processed the one from last year (unless I am told otherwise).

Thanks,
