**Re: Screening Decision for Laurentian University's "Kathleen Lake Geoscience Project" Proposal, Kitikmeot Region**

---

Dear Mr. Paul Quassa:

On April 6, 2017 the Nunavut Impact Review Board (NIRB or Board) received a referral to screen Laurentian University "Kathleen Lake Geoscience Project" proposal from the Nunavut Planning Commission (NPC or Commission), which noted that the project proposal is outside the area of an applicable regional land use plan.

Pursuant to Article 12, Sections 12.4.1 and 12.4.4 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in right of Canada* (Nunavut Agreement) and section 87 of the *Nunavut Planning and Project Assessment Act* (NuPPAA), the NIRB commenced screening this project proposal and assigned it file number 17YN043.

Following the assessment of all material information provided, the NIRB is recommending that a review of Laurentian University's "Kathleen Lake Geoscience Project" is not required pursuant to paragraph 92(1)(a) of the NuPPAA.

Pursuant to its discretion under paragraph 92(2)(a) of the NuPPAA, the NIRB has determined that specific terms and conditions are appropriate for this project.

Accordingly, the NIRB is issuing the attached Screening Decision Report dated June 8, 2017 to the responsible Minister. The Screening Decision Report provides, among other things, the regulatory framework, project overview and the NIRB's assessment process, factors relevant for the determining significance of impacts and recommended project-specific terms and conditions.

Please note that the project proposal will not be enclosed due to the size of the electronic document and the limited bandwidth. However, an electronic copy of the project proposal is accessible online from the NIRB's online public registry at [www.nirb.ca](http://www.nirb.ca) by using any of the following search criteria:

- Project Name: Kathleen Lake Geoscience Project
- NIRB File No.: 17YN043
- Application No.: 125108

We look forward to receiving a response from the responsible Minister. If you have any questions or require clarification, please do not hesitate to contact the NIRB's Director, Technical Services, Tara Arko at (867) 983-4611 or [tarko@nirb.ca](mailto:tarko@nirb.ca).

Sincerely,

Elizabeth Copland, Chairperson  
Nunavut Impact Review Board

Enclosure: Screening Decision Report, NIRB File No.: 17YN043 (June 14, 2017)
