Dear Valerie Kogvek,

Thank you for providing me with your email address via the phone. I'm in the process of applying for a water licence for research in the North. Below is the email I sent to the NCP for a conformity review. I will send in my updated application after I hear back about our conformity determination.

Thank you.

Sincerely,
Emily Stewart

Dear Mr. Brian Aglukark (copy NWB),

My name is Emily Stewart, and I am representing Dr. John Smol of Queen's University for the application of a Nunavut Water Board licence.

Please find our NWB application, complete with a project proposal and maps, attached to this email. We like to know if our project conforms with the North Baffin Regional Land Use Plan, and require documentation for our NWB application.

Please let me know if you need any other documentation to proceed.

Thank you for your time.

Sincerely,
Emily Stewart
