Subject: 8WLC-LAE1415 - Limnology and Aquatic Ecology of High Arctic Lakes and Ponds on Cornwallis Island and Surrounding Islands Project - Approval for the Use of Waters or Deposit of Waste without a Licence

Dear Dr. Smol:

Please find attached approval number 8WLC-LAE1415 issued to Dr. John Smol, Queen's University by the Nunavut Water Board (NWB or Board) pursuant to its authority under Article 13 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada*. The approval has been authorized for a period of one (1) year after the day on which the Board approves the application and includes conditions related to the use of waters or deposit of waste which are an integral part of this approval required for this type of authorization under the *Nunavut Waters Regulations* (NWR).

This approval and the conditions contained therein, permits the carrying out of activities involving the use of waters or deposit of waste with respect to the application for approval. Any variation from these activities may result in a violation of this Approval and contravention of the NWNSRTA or NWR. The NWB would like remind the Applicant of the obligations with respect to the reclamation and reporting which will arise as this approval approaches its expiry.

If Dr. John Smol, Queen's University contemplates the renewal of this Approval, it is the responsibility of the Authorized entity to re-apply to the NWB. Note that if the approval expires before the NWB issues a renewal, the water use or deposit of waste must cease, or Dr. John Smol, Queen's University will be in contravention of the *Nunavut Land Claims Agreement* (NLCA) and the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* (NWNSRTA). The NWB recommends that an application for renewal of this Approval be filed at least thirty (30) days prior to its expiry date.

If Dr. John Smol, Queen's University contemplates changes to its undertaking involving a change in scope or increased activity, a water licence may be required. It is Dr. John Smol, Queen's University's responsibility to apply to the NWB for a water licence in accordance with the timelines set out for licences.

This approval has been posted to the NWB's Public Registry and FTP site and is accessible from the following link (using the username "public" and password "registry", without the quotes):

SCHEDULE 1

CONDITIONS FOR USE OF WATER OR DEPOSIT OF WASTE WITHOUT A LICENCE

General

1. In the case of an Authorized Entity who has a mineral right and who intends to use waters or deposit waste in relation to that right, the Authorized Entity shall respect the priority conferred on Inuit by section 62 of the *Act* as if that applicant had a licence for the use or deposit.

Water Use

2. The Authorized Entity shall take measures prior to using waters to minimize any alteration to the bed or banks of a watercourse whose waters are to be used, and the measures shall be maintained during the operation of the undertaking.

Deposit of Waste

3. Not Applicable.

Abandonment and Restoration

4. Prior to the closure or abandonment of the undertaking or end of the period authorized for the use of waters or deposit of waste without a licence, whichever occurs first, the site shall be restored — to the extent practicable — to the state in which it was before the use of waters or the deposit of waste .^a

Record Keeping

5. The Authorized Entity shall (where applicable):
 - a. maintain accurate and detailed books and records of:
 - i. the quantity of water, in cubic metres, used each day,
 - ii. the quantity, in cubic metres, of waste deposited each day,
 - iii. the type of waste deposited each day,
 - iv. where the waste is deposited including GPS coordinates in Latitude and Longitude,
 - v. the concentration of the substance, or substances, in the deposited solid or liquid that has the effect of making the deposit waste,
 - vi. the methodology used to calculate or determine the information referred to in items (i) to (v), and
 - vii. the measures that were taken to avoid or mitigate any adverse impacts of the deposit of waste.
 - b. keep the books and records on the site of the undertaking during the period of its operation and make them available during that period to an inspector on request;
 - c. submit to the Board a report containing a summary description and supporting photographs of the restoration of the site of the undertaking within thirty (30) days

SCHEDULE 1 (Cont.)

- after the earliest of (i) the day on which the undertaking is closed or abandoned, and (ii) the last day of the period authorized for the unlicensed use or deposit;^b and
- d. keep the books and records for two years after submitting the report describing the restoration of the site of the undertaking.

Notes:

- a) A site need not be restored prior to the end of the period authorized for the use of water or the deposit of waste without a licence, as required by Item 5, if the Board issues a licence for the use of water or deposit of waste on that site prior to the end of that period.
- b) The Authorized Entity need not submit the report referred to in Item 6 (c) if the Authorized Entity obtains the Board's renewed approval for a use of water or deposit of waste without a licence, or a licence for a use of water or deposit of waste on the same site within thirty (30) days after the last day of the period previously authorized.
