Please see attached cover letter for your application to the Nunavut Water Board, and send me a new letter with the proper company name, you put Nunavut Planning Commission instead of Nunavut Water Board, where I am currently employed. Once you send the revised letter, I will continue with my administrative part with the Licensing Department.

Thank you Valerie.
 In my haste to provide the cover letter I failed to obtain your full address, even though you have provided it in our email correspondences. I apologize.
 A cover with the corrected address is attached.
 Thanks for your continued help.--john
