Dear Robin, Licence Administrator, Nunavut Water Board,

Please find attached a completed and signed application for the use or deposit of waste without a licence, in support of planetary analog research at Houghton Crater, Devon Island, Nunavut, in July, 2017.

Attachments:

1. Nunavut Water Board permit application - FMARS NWB Application 2017.pdf

Included in this file are, in the following order:

- 1) Cover page
  - 2) Executive summary of application (in English) [page 2]
  - 3) Executive summary of application (in Inuktitut) [page 3]
  - 4) Application for the use of water or deposit of waste without a license [pages 4-14]
2. Spill Contingency Plan\_Flashline Mars Artic Research Station\_Mars Society.pdf

In addition to this permit application, we have submitted an application to the Wildlife Research Section, Nunavut Department of Environment for a Wildlife Research permit, a research permit application to the Nunavut Research Institute, and an application to Qikiqtani Inuit Association for Access to Inuit Owned Land.

We have mailed directly to you the two attached documents.

If the application is missing information, please do not hesitate to contact us for further details.

Thank you for considering this signed application for the use of water or deposit of waste without a license.

Thank you,

**Carie Fay**
