Thank you, Robert. I will call after 10 a.m. PST to pay the balance due and figure out the actual number later. That isn't as important as getting everything you and the team require.

I've attached the Inuktitut and English versions of our Mission Project Summaries. Let me know if those are adequate for that line item. When I call here in a little while, let's review the last items, and we will address those as soon as possible.

Take care,
Terry

Hey Robert,

Can you confirm you have received those documents? Also, I have tried to call a few times today and was not able to get an answer. I stand ready to pay our fee.

Thank you,
Terry
