Hello Phyllis

Thank you for your reminder. I have been in a remote field camp Antarctica since September with little access to the internet. This is the first chance in over 2 months I have had to check my emails. I leave tomorrow for my last camp and should be back in McMurdo on Dec 13 and back to Montreal around Dec. 20. I will try to get the required information to you before you close down for Christmas.

I apologize for the delay - I had hoped to be able to complete everything while here.

Sincerely

Wayne Pollard
