Good afternoon,

Please see attached updated approval letter to reflect corrected email address.

Copies of all documents received in support of this submission can be accessed through the NWB's Public Registry and FTP site using the following Link:

<ftp://ftp.nwb-oen.ca/registry/8%20MISCELLANEOUS/8WL/8WLC%20-%20Camp/8WLC-MGU2223%20McGill%20University/4%20LICENCE/1%20LICENCE>

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:

If you have any questions or concerns please let me know.

Regards,
