Hi Thomas,

Upon review of NPC's conformity determination and NIRB's Screening Decision Report. The Nunavut Water Board would require submission of the following:

- Completed/signed application form.
- Project description in both English and Inuktitut.
- Project Area Map.

No submission of the application fee is required by Federal Departments. I have downloaded and saved NIRB's screening decision report that states review is not required.

Please let me know if you require further clarification.

Regards,

Robert Hunter
