Importance: High

Good morning Mr. Leafloor. Further to Richard Dwyer's telecom with your office of August 18, 2008, the Nunavut Water Board is still waiting for the requested information as follows:

1. Remote camp questionnaire – attached for your completion and submission.

This information is required if your project will extend into 2009 and beyond, which is indicated in your summary received on August 19th. Please provide the questionnaire so that we can go forward to send your file for review and comments and issue your water license.

Regards,

Phyllis Beaulieu
