Re: Application Acknowledgement for the Netilling Lake Project

Dear Mr. Hawkins:

The Nunavut Water Board acknowledges receipt on July 11, 2008 of your new water license application, for the Netilling Lake Project.

We undertook a preliminary review of your application and conclude that it does not contain sufficient information for the NWB to evaluate the qualitative and quantitative effects of the use of water or the deposit of waste on water. Specifically, we are asking you to provide the following:

- Remote Camp Questionnaire (blank form attached)
- English & Inuktitut Summary

We will resume the processing of your application once we receive the requested information.

Please call the undersigned at (867) 360-6338 or email at licensingadmin@nunavutwaterboard.org if you have any questions.

Sincerely,
