Hi Erik,

1. The camp and all associated waste will be removed prior to this site being abandoned.
2. All fuel, and if present as the result of a spill any hydrocarbon contaminated soil will be removed from site prior to this site being abandoned. Both the fuel and any contaminated soil will be treated according to all regulatory requirements.

Thanks for following up Erik, if you require any other information just let me know and I will be happy to oblige.

Regards,

Tamara
