Good afternoon Yulia or Sarah,  
After review of this project proposal, I noticed that this application needs no further review from us for now as it has been reviewed and approved for a multi-year undertaking up to September 2022 under NPC file # 148823; conformity letter issued on April 19, 2018 (attached). I will therefore return this to you to withdraw it.  
Thank you,  
Goump
