Subject: Approval Without A Licence No. 8WLC-NWT1617 – Submission of 2016 Annual Report for the Northern Watch Technology Demonstration Project

Dear Mr. MacInnis and Ms. Van Dyck:

The Nunavut Water Board (NWB or Board) has completed its review of the 2016 Annual Report (Report) submitted by Defence Construction Canada to fulfill the relevant requirements in the Approval-Without-A-Licence No. 8WLC-NWT1617, issued to the *Northern Technology Demonstration Project*, located in the Qikiqtani Region, Nunavut. The review determined that the Report is complete and generally consistent with the reporting requirements contained in the approval issued to the Project. The review also notes that no waste was deposited or water used over the reporting being considered.

Copies of the above-referenced Report as well as all information submitted in support of the file can be accessed through the NWB's Public Registry and File Transfer Protocol (FTP) site using the following link:
