Dear Cynthia,

thanks a lot for your email😊 Yes, I can confirm that the statement below is reasonable. But just for your information: the total water use and the deposit of sewage & grey water will be less than 500 litres in total per day.

Thanks again for your help, and I am looking forward to hearing from you. Have a great day und viele liebe Gruesse,

Karsten

An: Piepjohn, Karsten <Karsten.Piepjohn@bgr.de>

Hello Karsten, I've received some feed back and wanted to confirm with you that the following statement is reasonable:

Sincere regards,

Karsten
