Re: Application for use of Water and disposal of waste without a license

Please find attached our completed and signed application as well as a letter of authorization for Mr. Boyd Warner.

Our company (Bathurst Inlet Developments (1984) Ltd) has a camp located at Pellatt Lake, NU.

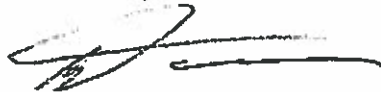

The camp has not been used for a few years but we are now planning operations for a few weeks this spring and perhaps the same in the fall.

We have a tourism license and a land lease 76 F/4-2-2 for the camp.

We are requesting the authorization as the camp will not be using much water or generating much waste.

Please let me know if you have any questions or concerns.

Sincerely,

Boyd Warner

President
