Hi Boyd,

I have conducted a preliminary technical review of your application. Although generally in good working order, the NWB requires that you address the following issues before proceeding with your application:

- Block 1 of your Application does not include your mailing address
- Block 8 (Schedule) Defines a time period longer than one year (August 2015 to September 2016). The Licensee is reminded that Approvals Without a Licence are issued for a one year term.

Please contact me with any concerns you may have.

Regards,

Brady MacCarl, MSc- $\triangleright \nabla \Delta \cap \text{L}^b \text{b}^{\nabla c}$
