

English Summary for application to use water without a license at our Pellatt Lake camp.

Our company has been approached to provide camp service for a small Geophysical party this spring and also this fall. In addition it may be used this fall for tourism.

The company doing the work is working in the NWT, our camp is located close to the Nunavut / NWT border.

Use of camp is 8 – 12 people for up to 3 – 4 weeks this spring and again in the fall.

The company has been in touch with NPC and are exempt as they are not working in Nunavut.

Other details are in the application.

Sincerely,

Boyd Warner
