Good morning,

Please see attached for 8WLC-POL2223 – Approval for the Use of Waters and Deposit of Waste Without a Licence.

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:

Regards,

Richard
