Hello,

Please find attached an NWB application for a film project, Pristine Seas, supported by Arctic Kingdom. This is the first time I have ever completed an NWB application. I would appreciate it if someone could take a look and make sure the application is complete or needs clarification. The film project is planned to start on June 9, 2015. Can you tell me how long it takes for an application to be processed?

Thanks very much,

Kristyn
