RE: Authorization to Represent

To whom it may concern,

Holly Hennin is a technician responsible for field camp logistics with the Wildlife Landscape and Science Division. As such, she is responsible for applying for any permits required for operating our field research camps in Nunavut. To facilitate her completion of this task, I authorize her to represent myself and our team of Research Scientists in completing the application for our Nunavut Water Board approval for water use without a license for all the avian research camps listed on the permit applications for both East Bay, Southampton Island (8WLC-PCE1920; renewal application sent with this letter), Coats Island (8WLC-AIF1920; renewal application sent with this letter), the Belcher and Sleeper Islands (8WLC-ASR2122; renewal sent with this letter), and Cape Graham Moore (8WLC-TBM2021; renewal sent with this letter).

If you have any questions, please call me at (613) 998 7364.

Sincerely,

Grant Gilchrist  
Research Scientist
