Hi Rosemarie,

Please find attached copy of blank renewal application, please note I have cc'd Brian at NPC and Valerie at NWB for any assistance as I will be on duty travel as of today and returning to the office on Friday, May 6, 2016.

As noted in the NWB's correspondence to you acknowledging the receipt of this application, the project proposal, for the undertaking described in the water licence application, [was previously assessed and approved by the Nunavut Planning Commission (NPC) and the Nunavut Impact Review Board (NIRB) under the Nunavut Land Claims Agreement (NLCA) prior to the *Nunavut Planning and Project Assessment Act* (NuPPAA) coming into force on July 9, 2015], and has not been significantly modified since that approval. Therefore, the NWB is proceeding on the basis that the requirements of NuPPAA are not applicable to this project proposal as established by s. 235 of NuPPAA. The NWB will thus process the Application as required under the NLCA and the regulatory regime which existed prior to NuPPAA.
