Good Morning Mr. England,

After reviewing your application I noticed that there were some modifications to the Use Without Licence application form which altered it from the version of the form we currently have on our website.

1) Can you please provide the following information:

Previous Approvals or Licences Associated with Undertaking ("Type A", "Type B" or Approval Without a Licence)

NA or _____

Previous Licence/Approval Number: _____

The Board reminds the Applicant that as stated in s. 46 of the NWNSTRA, the expiry or cancellation of any previous licence does not relieve the holder from any outstanding obligations imposed under the licence.

2) Section 9 states within the project description that all sewage will be backhauled from site for proper treatment, while Section 14 of the submitted Use Without Licence application form states that sewage will be buried locally on site. Can you please clarify how sewage will be handled?

Sincerely,

Cynthia Ene, MBA, P.Eng.- ٧٩٢٤ ٤٤٨٥
