

DISTRIBUTION

Please find enclosed a copy of an application for a *Science Research License* from **Galen Halverson, Dept. of Earth & Planetary Sciences, McGill University**.

Galen Halverson's research is titled "***Tracking Paleoenvironmental Change in the latest Mesoproterozoic (ca. 1.1 billion years old) Bylot Supergroup, Baffin Island***" and is proposed to take place from July 15, 2015 to August 2, 2015.

As per the **Scientists' Act** of Nunavut, community consultation is required before a Science Research License can be issued. The documentation is provided for your information and review.

Thank you for your continued assistance. Please contact our office if you have any questions or concerns regarding the above.
