Hello Mr Kuflevski,

We have not submitted any records concerning this license as it is not mandatory. On September 2019, 4 units of 20-l glass container were sent to Grise Fjord by air cargo. In August 2020, the containers were filled with glacier water and sent by sea vessel to Montreal to Pure Blue Spirit Inc.

Let me know if you need any additionnal information.

Sincerely,

Philippe Simon, P.Eng., Ph.D.
