Hi Ambrose,

I'm working on it right now. I will address the letter to Nunavut Brewing Company Limited though, since the City is not the applicant in this case. It needs to be signed by the CAO. I'll scan it and send it to you as soon as it's signed.

Regards,

Matthew

Morning Matthew, any chance I could get your letter by mid afternoon today. Water Board advise they will be reducing staff starting tomorrow until after Christmas.

Tks, Ambrose

Hi Matthew, as per our conversation can you provide a short letter addressed to the water board to the effect that the city will accept all the by product waste from our proposed Nunavut Brewing Company operations at the City treatment facility.

You will need to address it to Cynthia Ene, Technical Advisor, Nunavut Water Board, P O Box 119, Gjoa Haven, NU X0B 1J0

You will need to reference 8WLF-NBC in the subject line.

Just craft up the letter and send to me. I will forward to her.

Many tks, Ambrose
