Re: 148163 / Craft Brewery, Iqaluit, NU

Please be advised that the Ambrose Livingstone of a proposed project 148163 / Craft Brewery, Iqaluit, NU that is to be carried out inside the Nunavut Settlement Area (NSA) has submitted a land use application with the Nunavut Planning Commission (NPC).

The Nunavut Land Claims Agreement (NLCA) requires that the NPC review all applications for project proposals. The NPC is unable to initiate and complete a review of the project proposal until a copy of the application and all associated documents are sent to the NPC.
