Re: Construction Summary Report: Milne Port Off-Spec Sewage Effluent Pond (PWSP)

Dear Phyllis,

As required under Part D, Item 19 of the recently issued NWB Licence No 2AM-MRY1324, we are transmitting the Construction Summary Report for the Milne Port Off-Spec Sewage Effluent Pond (PWSP) which has been signed/stamped by a Professional Engineer.

According to Nuna's Quality Control Inspection and Test Plan (see Appendix G), close out of the Milne Port Off-Spec Effluent Pond (PWSP) occurred on September 20, 2013. This Construction Summary Report therefore has been submitted within ninety (90) days of completion to meet requirements specified in Part D, item 18 of the Water Licence 2AM-MRY1325.

Please do not hesitate to contact the undersigned should you have any questions, comments, or require any clarification.

Sincerely,

A handwritten signature in black ink, appearing to read "O. Curran", with a small dot at the end.

Oliver Curran
Director, Sustainable Development
